Subject index

Index des sujets

Abortion
Association of *Actinobacillus ureae (Pasteurella ureae)* with porcine abortion, 42
Campylobacter jejuni abortions in two beef cattle herds in Saskatchewan, 373

Actinobacillus
Actinobacillus suis infection in pigs, 437
Association of *Actinobacillus ureae (Pasteurella ureae)* with porcine abortion, 42

Advertising
Supreme Court rules on landmark advertising case, 746

Alimentary system
Antimesenteric enterotomy for repair of a dorsal rectal tear in a mare, 705
An ulcerative enteritis of racing pigeons, 645
Border disease — a cause of terminal ileitis in lambs?, 611
Bursal cryptosporidiosis in broiler chickens, 458
Isolation of *Yersinia* spp. from cases of diarrhea, 779
Necrohemorrhagic enterocolitis caused by *Clostridium perfringens* type C in a foal, 449
Physaloptera stomach worms associated with chronic vomition in a dog in Western Canada, 840
Regurgitation due to megaesophagus in a ram, 391
Terminal ileitis in lambs, 292

Anesthesia
Isoflurane as an inhalational anesthetic agent in clinical practice, 847
Nephrotoxicity in dogs associated with methoxyflurane anesthesia and flunixin meglumine analgesia, 766
Update on butorphanol tartrate: Use in small animals, 120
Use of epidural morphine to relieve pain in a horse, 211

Animal behavior
A veterinarian's guide to the correction of dominance aggression, 121
Diagnosing dominance aggression, 45
Veterinarians as behavior consultants, 225

Animal Health Week
Animal Health Week in the works, 347
Animal Health Week reaches 7 million Canadians, 744

Animal rights
Animal rights activists, 8
Author's reply, 8
Animal rights, 81
Animal rights/animal welfare, 415
Animal rights activists, 418

Animal welfare
Animal rights/animal welfare, 418
Animal welfare movement, 478
Canadian Farm Animal Care Trust, 167
Cattlemen ask for CVMA participation in drafting code of practice, 348
CVMA passes recommendations on the trapping of fur-bearing animals, 345
CVMA resolves to support ban of lead shot, 345
Humane Practices Committee raises concerns over HPB monkey colony, 346
Federal goverment amends animal disease and protection act, 349
Humane Practices Committee Report, 267

Anomalies
A congenital defect resembling Hereford syndrome 1 in Alberta, 31
Ablation of a congenital neck mass in a foal, 643
Ammonium urate urolith resulting in hydronephrosis and hydroureter in a dog with a congenital portosystemic shunt, 116
Branchial cyst in a cat, 525
Multiple congenital skeletal deformities in an Arabian foal, 113

Anthelmintics
Comparison of three anthelmintics in the control of intestinal nematodes in young horses on fall and winter pasture, 841

Antimicrobials
An evaluation of antimicrobial therapy for undifferentiated bovine respiratory disease, 689
Prophylactic tilmicosin medication of feedlot calves at arrival, 285
Tilmicosin as a single injection treatment for respiratory disease of feedlot cattle, 826

Aquaculture
BVD comments on fish anesthetics, 746
BVD releases document on drugs in aquaculture, 684

Atlantic Veterinary College
Atlantic Veterinary College graduates first class, 484
AVC Dean resigns, 622
First class to graduate from Atlantic Veterinary College, 166
Full accreditation for AVC, 483

Avian species
A case control study of fowl pox in southeastern Ontario, 437
An outbreak of aspergillosis in wild waterfowl, 303
An ulcerative enteritis of racing pigeons, 645
Diagnosis of monensin intoxication in poultry, 341
Fowl cholera in overwintering mallard ducks, 846
Paratyphoid infection in English sparrows, 592
Poisoning by lead shot in trumpeter swans, 221
Probable organophosphate toxicosis in commercial geese, 779
Pseudotuberculosis in a black-tailed ptarmigan, 712

Awards
B.C. veterinarian awarded bravery medal, 270
Business excellence award at U of G, 167
Presenting the award winners, 622
Trevor Lloyd Jones and Donald Barnum receive U of G award, 86

Biochemistry
Serum biochemical values in the skunk, 223

Bison
A survey of brucellosis and tuberculosis in bison in and around
Wood Buffalo National Park, Canada, 174
Bison report calls for eradication, 683
CVMA supports bison depopulation-repopulation option, 168

Book reviews
Special Veterinary Pathology, 130
Veterinary Pharmacology and Therapeutics, 52

Border disease
Border disease — a cause of terminal ileitis in lambs?, 611

Botulism
Botulism in wild waterfowl: Alberta, Manitoba and Saskatchewan, 395
Feedtrough dirt as a source of *Clostridium botulinum* type C, 13
Poultry litter associated with botulism (type C) in cattle, 711

Bovine spongiform encephalopathy
More on the control of bovine spongiform encephalopathy, 252

Brucellosis
A survey of brucellosis and tuberculosis in bison in and around
Wood Buffalo National Park, Canada, 174

Campylobacter
Campylobacter jejuni abortions in two beef cattle herds in Saskatchewan, 373
Prevalence of *Campylobacter jejuni* in pronghorns and mule deer in southern Saskatchewan, 302
Prevalence of *Campylobacter jejuni* in ranch mink at pelting: Cultural, serological, and histological evidence of infection, 367

Catnip
Catnip: Its uses and effects, past and present, 455

Cats
A survey of canine and feline skin disorders seen in a university practice: Small Animal Clinic, University of Montréal, Saint-Hyacinthe, Québec (1987–1988), 830
Branchial cyst in a cat, 525
Concurrent lymphoma and salmonellosis in a cat, 38
Update on butorphanol tartrate: Use in small animals, 120

Cattle
A case-control study of *Nocardia* mastitis in Ontario dairy herds, 197
A case of bovine mastitis caused by *Listeria monocytogenes*, 773
A comparison of three oral electrolyte solutions in the treatment of diarrheic calves, 753
A congenital defect resembling Hereford syndrome 1 in Alberta, 31
Acute gangrenous mastitis due to *Clostridium perfringens* type A and *Escherichia coli* in a cow, 523
An abattoir survey of urinary bladder lesions in cattle, 515
An evaluation of antimicrobial therapy for undifferentiated bovine respiratory disease, 689
An evaluation of simultaneous GnRH and cloprostenol treatment of dairy cattle with cystic ovaries, 280
An unusual cause of nitrate poisoning in cattle, 118
Bulk tank survey of dairy farms in Ontario, 42
Campylobacter jejuni abortions in two beef cattle herds in Saskatchewan, 373
Chronic copper toxicity in a dairy herd, 629
Clinical and laboratory findings of a bleeding disorder in Simmental cattle, 101
Congenital storage disease of Salers calves, 303
Criticism of Alberta preconditioned feeder review, 158
Effect of ivermectin on weight gain of calves on pasture in Alberta, 589
Epidemiological features of calf mortality due to hemophilosis in a large feedlot, 821
Evaluation of colostrum supplements, 338
Five field trials on the efficacy of a bovine respiratory syncytial virus vaccine, 93
Four bovine meningeal tumors, 700
Fractures of the femur in newborn calves, 289
Hypocalcemia associated with muscular weakness and recumbency in beef cows in western Saskatchewan, 34
Isolation of *Streptococcus suis* from cattle, 529
Immunoglobulin concentrations in commercially available colostrum supplements for calves, 36
Juvenile lymphoma in a Holstein heifer, 459
Laminitis-like changes in the claws of feedlot cattle, 202
Mixed papillary-polypoid cystitis in a heifer, 585
Modern beef production and disease control, 251
More on the control of bovine spongiform encephalopathy, 252
Outbreak of neonatal infectious bovine rhinotracheitis, 592
Prevalence of antibodies to infectious bovine rhinotracheitis, parainfluenza 3, bovine respiratory syncytical, and bovine viral diarrhea viruses in cattle in Saskatchewan and Alberta, 815
Prophylactic tilmicosin medication of feedlot calves at arrival, 285
Poultry litter associated with botulism (type C) in cattle, 711
The usefulness of pelvic area measurements as an on-farm test for predicting calving difficulty in beef heifers, 190

Tilmicosin as a single injection treatment for respiratory disease of feedlot cattle, 826
Tracheal collapse/stenosis in calves, 780
Translocation 1/29 in Charolais cattle, 458

Chickens
A study of hepatic lesions in broiler chickens at processing plants in Saskatchewan, 20
Bursal cryptosporidiosis in broiler chickens, 458
Infectious laryngotracheitis in a flock of layers, 780
Mortality caused by improper vaccination techniques in chickens, 118

Clostridium
Acute gangrenous mastitis due to *Clostridium perfringens* type A and *Escherichia coli* in a cow, 523
Necrohemorrhagic enterocolitis caused by *Clostridium perfringens* type C in a foal, 449

Commentary
Electronic communication with veterinarians: An update on VetNet and Exten, 84
The essential ingredients of successful strategic planning and its implementation, 613
VIDO sponsors day on BVD, 161

Computerization
Electronic communication with veterinarians: An update on VetNet and Exten, 84
OMAF Vet Lab Services computer system officially opened, 270

Corrections
Correction — Van Donkersgoed J, Ribble CS, Townsend HGG, Janzen ED, The usefulness of pelvic area measurements as an on-farm test for predicting calving difficulty in beef heifers, Can Vet J 1990; 31: 190-193, 418

Coxiella
Q-fever — a review, 555

CVMA
Agency for International Development is established, 85
CVMA Auxiliary to submit final report, 424
CVMA Auxiliary disbands, 271
CVMA comments on Health of Animals Act, 621
CVMA comments on pesticides, 743
CVMA GST seminars get great response, 744
CVMA passes recommendations on the trapping of fur-bearing aniamls, 345
CVMA resolves to support ban of lead shot, 345
Humane Practices Committee raises concerns over HPB monkey colony, 346
New managers for CVMA programs, and conventions and advertising, 624
One Voice: CVMA History book still available, 270
Task force looks at CVMA annual conventions, 421

CVMA Council
CVMA Council sets long term goals, 10

Deer
Polioencephalomalacia in a captive fallow deer, 300
Prevalence of *Campylobacter jejuni* in pronghorns and mule deer in southern Saskatchewan, 302
Resolution of pyothorax in a deer by a lateral thoracotomy, drainage and lavage via tube thoracostomy, 110

Dermatology
A survey of canine and feline skin disorders seen in a university practice: Small Animal Clinic, University of Montréal, Saint-Hyacinthe, Québec (1987–1988), 830
Ehlers-Danlos syndrome in a dog, 389
Suspected hypersensitivity to insect bites in market pigs, 845
Treatment of equine leg wounds using skin grafts: Thirty-five cases, 1975–1988, 761

Dogs
A survey of canine and feline skin disorders seen in a university practice: Small Animal Clinic, University of Montréal, Saint-Hyacinthe, Québec (1987–1988), 830
Ammonium urate urolith resulting in hydronephrosis and hydroureter in a dog with a congenital portosystemic shunt, 116
Canine ehrlichiosis in Ontario, 652
Death of a Rough Collie exposed to an ivermectin-based paste, 221
Death of six young Labrador/Malamute dogs exposed to automobile exhaust, 711
Ehlers-Danlos syndrome in a dog, 389
Heartworm in dogs in Canada in 1989, 499
Mast cell tumor in a puppy, 457
Nephrotoxicity in dogs associated with methoxyflurane anesthesia and flunixin meglumine analgesia, 766
The evaluation of an enzyme immunoassay for the assessment of progesterone in canine plasma, 708
The genetic disease crisis in purebred dogs, 265
Physaloptera stomach worms associated with chronic vomition in a dog in Western Canada, 840
Possible sulfamethoxazole/trimethoprim-induced hepatic necrosis in a dog, 530
Poultry feed additive contaminates dog food, 345
Unilateral stylohyoid disarticulation as a cause of dysphagia in a dog, 647
Update on butorphanol tartrate: Use in small animals, 120

Dubin report
Dubin report includes CVMA recommendations, 548

Editorial
Are you environmentally friendly?, 475
Critical writing and reading of review articles, 413
Dealing with substance dependence, 79
Do we do enough genetic counselling?, 249
Interviewing pre-vet students, 605

Ehrlichia
Canine ehrlichiosis in Ontario, 652

Electrocardiography
Exercise in electrocardiography, 43, 713, 000

Electrocution
Accidental electrocution of pigs, 652

Epidemiology
A case-control study of *Nocardia* mastitis in Ontario dairy herds, 197
Epidemiological features of calf mortality due to hemophilosis in a large feedlot, 821
Epidemiology and preventive medicine: A report on the CAVEPM 1989 meeting, 496

Field trials
A field trial to evaluate the efficacy of a commercial *Pasteurella haemolytica* bacterial extract in preventing bovine respiratory disease, 573
Five field trials on the efficacy of a bovine respiratory syncytial virus vaccine, 93

Fish
Dermocystidium-like parasite in farmed Atlantic salmon, 591
Diseases in baitfish in Ontario, 845
Leech infestation in trout, 119

Food safety
Consumers get facts on ethoxyquin and food safety, 88
Food safety in a nuclear crisis: The role of the veterinarian, 361

Fox
Thymic hypoplasia in weak platinum fox pups, 591

Game ranching
Comments on game farming, 676
Concerns about game farming, 479

Genetic disease
The genetic disease crisis in purebred dogs, 265
Translocation 1/29 in Charolais cattle, 458

Goats
Contagious ecthyma: An unusual distribution of lesions in goats, 208
Serum progesterone determination as an aid for pregnancy diagnosis in goats bred out of season, 104

Goods and Services Tax
CVMA GST seminars get great response, 744
On the CVMA GST report, 478
Open letter to the Honorable Michael Wilson, Minister of Finance, 342
The impact of the GST on veterinary clinics: Taxing versus exemption versus zero-rating, 255
Response to the open letter from Dr. Grenn to the Honorable Michael Wilson (Can Vet J 1990; 31: 342–343), 477

Haemophilus
Epidemiological features of calf mortality due to hemophilosis in a large feedlot, 821

Heartworm
Heartworm in dogs in Canada in 1989, 499

Hemostasis
Clinical and laboratory findings of a bleeding disorder in Simmental cattle, 101

Holistic veterinary medicine
Further to the correspondence on holistic veterinary medicine, 543
Holistic veterinary medicine questions, 336

Horses
A rehabilitation team approach to correct flexural deformities in a donkey foal, 297
Ablation of a congenital neck mass in a foal, 643
Antimesenteric enterotomy for repair of a dorsal rectal tear in a mare, 705
Cartilage healing: A review with emphasis on the equine model, 565
Chemodectoma in a horse, 777
Comparison of three anthelmintics in the control of intestinal nematodes in young horses on fall and winter pasture, 841
Ectopic ureter in the horse: Three cases and a review of the literature, 26
Efficacy of ivermectin oral liquid for horses, 519
Endometrial biopsy in mares under non-uniform breeding management conditions: Prognostic value and relationship with age, 379
Feedtrough dirt as a source of *Clostridium botulinum* type C, 13
Multiple congenital skeletal deformities in an Arabian foal, 113
Treatment of equine leg wounds using skin grafts: Thirty-five cases, 1975–1988, 761
Use of epidural morphine to relieve pain in a horse, 211
Ventral edema in horses testing positive for Potomac horse fever, 531

Immunology
Evaluation of colostrum supplements, 338
Immunoglobulin concentrations in commercially available colostrum supplements for calves, 36
Micronema deletrix in the kidney of a horse, 451

Insurance
CVMA insurance program, 51
Pet health insurance, 232
Pottruff and Smith Insurance Brokers, 231
Survey results on CVMA insurance program, 397

International Development
Development agency progressing, 624
Meeting the need for veterinary diagnostic services in developing countries, 304
Socio-economic importance of the diagnosis of disease in the backyard species in the Caribbean, 306

Ivermectin
Death of a Rough Collie exposed to an ivermectin-based paste, 221
Effect of ivermectin on weight gain of calves on pasture in Alberta, 589
Efficacy of ivermectin oral liquid for horses, 519

Leptospira
Serological titers to various leptospiral serovars before and after vaccinating gilts with commercial vaccines, 277

Letters to the Editor
A comment on salinomycin toxicity in turkeys, 543
Animal rights activists, 8
Author's reply, 8
Animal rights activists, 418
Animal rights, 81
Animal rights/animal welfare, 415
Animal welfare movement, 478

Zoonoses parasitaires d'origine canine transmises par léchage, 675

Listeria
A case of bovine mastitis caused by *Listeria monocytogenes*, 773

Liver disease
A study of hepatic lesions in broiler chickens at processing plants in Saskatchewan, 20
Possible sulfamethoxazole/trimethoprim-induced hepatic necrosis in a dog, 530

Lyme disease
Lyme disease vector, *Ixodes dammini* (the northern deer tick), identified in Prince Edward Island, 220

Lymphoid system
Thymic hypoplasia in weak platinum fox pups, 591

Marine mammals
Cysts of a *Toxoplasma*-like organism in an Atlantic bottlenose dolphin, 213

Mastitis
A case-control study of *Nocardia* mastitis in Ontario dairy herds, 197
A case of bovine mastitis caused by *Listeria monocytogenes*, 773
Acute gangrenous mastitis due to *Clostridium perfringens* type A and *Escherichia coli* in a cow, 523
Bulk tank survey of dairy farms in Ontario, 42
Culturing of bulk tank milk for the presence of *Nocardia spp.*, 453
Nocardial mastitis selective medium, 417

Meat inspection
Canada and U.S. to undergo trial meat and poultry inspection program, 349

Metabolic disease
Hypocalcemia associated with muscular weakness and recumbency in beef cows in western Saskatchewan, 34

Mink
Prevalence of *Campylobacter jejuni* in ranch mink at pelting: Cultural, serological, and histological evidence of infection, 367

Musculoskeletal system
A rehabilitation team approach to correct flexural deformities in a donkey foal, 297
Cartilage healing: A review with emphasis on the equine model, 565
Fractures of the femur in newborn calves, 289
Laminitis-like changes in the claws of feedlot cattle, 202
Multiple congenital skeletal deformities in an Arabian foal, 113
Unilateral stylohyoid disarticulation as a cause of dysphagia in a dog, 647

Mycotic diseases
An outbreak of aspergillosis in wild waterfowl, 303

Neonatology
A comparison of three oral electrolyte solutions in the treatment of diarrheic calves, 753
Evaluation of colostrum supplements, 338
Immunoglobulin concentrations in commercially available colostrum supplements for calves, 36

Outbreak of neonatal infectious bovine rhinotracheitis, 592

Neoplasia
Bernese Mountain Dog tumor study, 801
Chemodectoma in a horse, 777
Concurrent lymphoma and salmonellosis in a cat, 38
Four bovine meningeal tumors, 700
Incidental neoplasia during experiments on scrapie in white Swiss mice, 653
Juvenile lymphoma in a Holstein heifer, 459
Mast cell tumor in a puppy, 457

Nervous system
Four bovine meningeal tumors, 700
Polioencephalomalacia in a captive fallow deer, 300
Relationship of cerebrospinal fluid protein concentration determined by dye-binding and urinary dipstick methodologies, 587
Selenium toxicosis causing focal symmetrical poliomyelomalacia in pigs, 292

Nocardia
Culturing of bulk tank milk for the presence of *Nocardia spp.*, 453
Nocardial mastitis selective medium, 417

Nutrition
A propos de l'obésité chez le chien, 46
Carbohydrates in the nutrition of the dog, 128
Consumers get facts on ethoxyquin and food safety, 88
Current topics in nutrition, 308
Feeding older dogs and cats, 781

Opinion
Concerns about game farming, 479
The genetic disease crisis in purebred dogs, 265

Pasteurella
A field trial to evaluate the efficacy of a commercial *Pasteurella haemolytica* bacterial extract in preventing bovine respiratory disease, 573

Parasitology
Bursal cryptosporidiosis in broiler chickens, 458
Cysts of a *Toxoplasma*-like organism in an Atlantic bottlenose dolphin, 213
Dermocystidium-like parasite in farmed Atlantic salmon, 591
Leech infestation in trout, 119
Lyme disease vector, *Ixodes dammini* (the northern deer tick), identified in Prince Edward Island, 220
Micronema deletrix in the kidney of a horse, 451
Physaloptera stomach worms associated with chronic vomition in a dog in Western Canada, 840

Pet Food Certification Program
New members for Pet Food Certification Committee, 422
Pet food certification program — unique in the world, 422
What's new in the pet food certification program?, 423

Physiotherapy
A rehabilitation team approach to correct flexural deformities in a donkey foal, 297

Pigs
Accidental electrocution of pigs, 652
Actinobacillus suis infection in pigs, 437
An evaluation of vulvomucosal injections of prostaglandins for induction of parturition in swine, 433
Association of *Actinobacillus ureae (Pasteurella ureae)* with porcine abortion, 42
Boar culling in swine breeding herds in Minnesota, 581
Cesarean section in the sow: A retrospective analysis of litter size and stillbirth rate, 697
Distribution of *Streptococcus suis* capsular types 9 to 22 according to the site of isolation, 293
Environment, respiratory disease, and performance of pigs in three Saskatchewan grower-finisher barns, 506
Monensin toxicity in swine, 530
Osseous metaplasia of the renal pelvis in slaughter swine, 529
Roxarsone (3-nitro-4-hydroxyphenylarsonic acid) poisoning in pigs, 386
Selenium toxicosis causing focal symmetrical poliomyelomalacia in pigs, 292
Serological titers to various leptospiral serovars before and after vaccinating gilts with commercial vaccines, 277
Severe proliferative and necrotizing pneumonia in pigs: A newly recognized disease, 837
Suspected hypersensitivity to insect bites in market pigs, 845

Potomac horse fever
Ventral edema in horses testing positive for Potomac horse fever, 531

Preconditioning
Criticism of Alberta preconditioned feeder review, 158

President's Message
It's September, time to start working, together, 603
Public health: our responsibility, 163
Santé publique: notre responsabilité, 164
Veterinarians and the welfare of animals, 735

Quality assurance
Quality assurance and continuing competence, 82

Rabies
Rabies diagnoses in Western Canada from July 1-December 31, 1989, 394
Rabies in a polar bear, 457

Reproduction
An evaluation of simultaneous GnRH and cloprostenol treatment of dairy cattle with cystic ovaries, 280
An evaluation of vulvomucosal injections of prostaglandins for induction of parturition in swine, 433
Boar culling in swine breeding herds in Minnesota, 581
Cesarean section in the sow: A retrospective analysis of litter size and stillbirth rate, 697
Endometrial biopsy in mares under non-uniform breeding management conditions: Prognostic value and relationship with age, 379
Serum progesterone determination as an aid for pregnancy diagnosis in goats bred out of season, 104
The evaluation of an enzyme immunoassay for the assessment of progesterone in canine plasma, 708
The theory of relativity and early pregnancy diagnosis examination in dairy cows, 334
The usefulness of pelvic area measurements as an on-farm test for predicting calving difficulty in beef heifers, 190
Treatment of cystic ovaries, 677

Respiratory system
A field trial to evaluate the efficacy of a commercial *Pasteurella haemolytica* bacterial extract in preventing bovine respiratory disease, 573
An evaluation of antimicrobial therapy for undifferentiated bovine respiratory disease, 689
Environment, respiratory disease, and performance of pigs in three Saskatchewan grower-finisher barns, 506
Five field trials on the efficacy of a bovine respiratory syncytial virus vaccine, 93
Infectious laryngotracheitis in a flock of layers, 780
Prevalence of antibodies to infectious bovine rhinotracheitis, parainfluenza 3, bovine respiratory syncytical, and bovine viral diarrhea viruses in cattle in Saskatchewan and Alberta, 815
Prophylactic tilmicosin medication of feedlot calves at arrival, 285
Resolution of pyothorax in a deer by a lateral thoracotomy, drainage and lavage via tube thoracostomy, 110
Severe proliferative and necrotizing pneumonia in pigs: A newly recognized disease, 837
Tilmicosin as a single injection treatment for respiratory disease of feedlot cattle, 826
Tracheal collapse/stenosis in calves, 780

Salmonella
Concurrent lymphoma and salmonellosis in a cat, 38
Paratyphoid infection in English sparrows, 592
Salmonella arizonae in sheep, 42

Scrapie
Incidental neoplasia during experiments on scrapie in white Swiss mice, 653

Sheep
Border disease — a cause of terminal ileitis in lambs?, 611
Regurgitation due to megaesophagus in a ram, 391
Salmonella arizonae in sheep, 42
Terminal ileitis in lambs, 292

Skunk
Serum biochemical values in the skunk, 223

Specialization
Specialization seminar in Halifax, 484

Storage diseases
Congenital storage disease of Salers calves, 303

Streptococcus
Distribution of *Streptococcus suis* capsular types 9 to 22 according to the site of isolation, 293
Isolation of *Streptococcus suis* from cattle, 529
Satelliting streptococci, 302

Surgery
Ablation of a congenital neck mass in a foal, 643
Antimesenteric enterotomy for repair of a dorsal rectal tear in a mare, 705
Resolution of pyothorax in a deer by a lateral thoracotomy, drainage and lavage via tube thoracostomy, 110
Treatment of equine leg wounds using skin grafts: Thirty-five cases, 1975–1988, 761
Unilateral stylohyoid disarticulation as a cause of dysphagia in a dog, 647

Toxicology
A comment on salinomycin toxicity in turkeys, 543
An unusual cause of nitrate poisoning in cattle, 118
Chronic copper toxicity in a dairy herd, 629
Death of a Rough Collie exposed to an ivermectin-based paste, 221
